

At Abu Dhabi National Exhibitions Company (ADNEC), the health and safety of exhibitors and participants visiting our events is our number one priority, and we are co-operating with all relevant authorities to ensure visitors are safe and secure during their time in Abu Dhabi.

ADNEC recommends that all visitors educate themselves about the symptoms of the Coronavirus, and that they remain vigilant at all times.

1 Limit your exposure to novel Coronavirus

Avoid close contact with symptomatic people who have fever cough or shortness of breath flu like symptoms.

Frequently clean hands using:

- Soap and warm water (for 40-60 seconds)
- Alcohol-based hand rub (for 20-30 seconds)

When coughing and sneezing cover mouth and nose with flexed elbow or tissue

- Throw tissue away immediately in a closed bin and wash hands.

AVOID ►

HANDSHAKING

HUGGING

NASAL GREETING

2 What are the symptoms?

SORE THROAT

FEVER

COUGH

HEADACHE

3 If you feel ill

While at ADNEC

- Immediately attend the medical room, next to Hall 7.
- Tell them about your recent travel and your symptoms.

Accessing Medical Services

Contact medical services through:

- Your hotel switchboard
- Your tour operator / travel insurance
- The Abu Dhabi Department of Health helpline

8001717 (toll free)

If you think you are experiencing any symptoms, please observe the following:

Outside of ADNEC

- Seek medical care right away.
- Avoid contact with others. If you are in your hotel room, stay there.
- Do not travel while sick.
- Contact emergency services before you visit a doctor's office or emergency room - Tell them about your recent travel and your symptoms.
- Cover your mouth and nose with a tissue or your sleeve (not your hands) when coughing or sneezing.
- Wash hands often with soap and water for at least 40 seconds.
- Use an alcohol based hand sanitizer if soap and water are not available.
